Anjoman Foods co.

Anjoman Foods is a privately owned independent food packing Company founded in 1978 and based in Iran-Eshtehard Town.

We have built massive manufactory site for packaging and distributing vast range of confectionery , Nuts , Dry fruits , and pickles.

Anjoman foods was at first specialised in producing the best Iranian Saffron, but in a growing market for Mediterranean products, the demand for other products soon grew and the Company started different variety of products such as: Dry Nuts, Pickles, Ready food in Tins, Jams, Candies, Sweets, Fruit Juices, Lime Juices, Tomato puree, Dried fruits and Herbs.

We take high quality assurance, customer satisfaction and reliability as our watchwords and management principles. The result is that we have an excellent reputation throughout food industry. Our workforce is committed to the success of our venture and we discharge our environmental responsibilities thoroughly. We are very proud of our business and our reputation.

As a successful company we pursue the aim of the following:

- Human essence and management sincerity.
- Representing high quality products and favorable prices for internal and export Markets.
- Export variety of products to Europe and other countries.
- Attend the yearly food exhibitions around the world.
- Maintaining Quality assurance control.
- Meeting our customers requirements and supporting our customers innovation.
- Improve and monitor Food Safety and management control systems.
- Meeting the terms prescribed by law, community and customers .

Anjoman foods management will ensure to develop and maintain quality metrics and processes for improving Quality Assurance. We place a very high importance on customer satisfaction and what our customers say about us is vital to our future.
